

Studio West School Pupil Premium Allocation & Spend

2016/2017

Pupil Premium: £57,035 (Anticipated: £57,496)

The Pupil Premium is additional funding provided by the Department for Education to enhance the education of children living in the most socio-economically deprived areas of the country. It was introduced in April 2011 and it is allocated to schools to assist with their work with pupils who are in receipt of Free School Meals or who have been in receipt of Free School Meals in the past 6 years. Children who have been looked after continuously for more than six months are also included as are children of Service personnel.

The pupil premium gives schools extra funding to raise the attainment of disadvantaged pupils from reception to Year 11. The Pupil Premium for 2016/2017 includes pupils on the January 2014 School Census known to have been eligible for Free School Meals (FSM) in any of the previous six years, as well as those first known to be eligible in January 2014.

Our principles:

To improve the levels of attainment for all disadvantaged students

To ensure that all disadvantaged students have access to trips / extra-curricular activities / all opportunities that SW offer and that finance is not a barrier

To continue to develop: high student expectations of themselves and for staff to have high expectations of students

To continue to develop T&L strategies to maximise learning potential
